Translation:

Kind Hearts and Good Intentions

The Industrial & Services Co-operative Society Limited (ISCOS) stepped towards a new milestone with the launch of the ISCOS ReGen Fund (IRF) to give back to society. This Charity Gala garnered much support from the guests present, with President Halimah Yacob present. She also added the finishing touch to a painting done by local artist Barry Yeow, which was auctioned off that night and the proceeds donated to IRF.
