NeuGen Fund Charity Golf 2023

When an individual commits an offence and goes to prison, family members are not only affected in terms of livelihoods and discrimination, but such situations may further gravitate the children towards the vicious cycle of crime, a phenomenon known as *intergenerational offending*. In fact, studies have shown that these children are 3 times¹ more likely to suffer from intergenerational offending as compared to general population.

Intergenerational offending is not an easy challenge to crack. Established in 2018, NeuGen Fund ("NeuGen") focuses on supporting children and families of reformed offenders through various academic and pro-social initiatives under Neu Empowerment Model to prevent intergenerational offending.

With the help of like-minded individual and corporate donors, we have been able to support more than 1,000 children since 2018. For NeuGen to reach out to more beneficiaries in need, we are rallying your support for the NeuGen Charity Golf, which would be held on Wednesday, 19 April 2023 at Tanah Merah Country Club, Tampines Course.

This year, NeuGen aims to raise \$1 million which will be spent to empower 500 children and 250 families. Your participation and/or contributions, in cash or in kind will help prevent intergenerational offending and empower our next generation. On behalf of NeuGen, I appeal to you to donate generously so that we can carry out this important mission.

All cash donations made to NeuGen Fund (IPC charity) are eligible for 250% tax deduction. If you need further information, please feel free to contact Secretariat, Ms Looi Jo-Anne (joanne@iscos.org.sg / 6805 0806) or Ms Toh Shi Jia (shi_jia@iscos.org.sg / 6805 0822).

Yours sincerely,
NeuGen Fund
